- Our Learning & Nurture Mentor has continued to support several children & families
- The academic gap between disadvantaged and other pupils is closing.
- End of year school tracking 2014-15. shows that pupil premium children made very good progress; almost all meeting or exceeding year group expectations.
- All pupils were able to take full advantage of the numerous trips, visits, extra-curricular provision and residential in 2015-16.
- The funding allows the transport costs for certain activities to be paid/ subsidised e.g. Dance Festival, Crucial Crew event.
- All pupils are able to access music provision. The funding ensures a brass band rehearsal is provided free of charge to all participants. The quality of instrumental music tuition is excellent and covers brass, strings, percussion & voice.
- A number of classes have benefitted from outdoor/adventurous activities including Y5 Castleshaw residential & Y6 Robinwood residential weekend.
- Pupils have benefitted throughout the year from booster and catch-up groups, 1:1 mentoring, group and individual interventions to accelerate learning and consolidate basic skills. Staff have delivered these both before school and during the school day.
- All classes have continued to benefit from our close links with Coppice Primary Academy in 2015-16 and a range of pre-planned shared learning opportunities including; M6 Theatre productions, visits to Gallery Oldham, visit to Castleshaw, visit to Oldham Coliseum, visit to the Science Centre and forest school activities.
