

Physical Education and Sport Premium

At Delph Primary School, we aim to inspire all pupils to feel confident performing and competing in a range of physical activities, in order that they may pursue a healthy and active lifestyle.

We have carefully planned the use of this funding to ensure the effective, sustainable delivery of high quality PE and sports provision within our curriculum and through a variety of out of school clubs.

In 2014-15, our school was allocated £8,860. This funding was spent as follows:

| | |
|---------------------------------------|---------------|
| Specialist Sports Coaches | £3,500 |
| Swimming Lessons for all KS2 pupils | £4,810 |
| Competition Co-ordinator Contribution | £550 |
| | £8,860 |

Impact:

1. Increase in the numbers of children participating in physical activity during lunch times & after school clubs.
2. Enhanced gross motor skills and development of children's understanding of the importance of making healthy choices and developing a healthy lifestyle
3. All children in KS2 receive swimming lessons
4. School staff, working with expert sports coaches, have increased their own knowledge and skills, which they can use to deliver outstanding PE lessons
5. A wide range of school sports activities and clubs are offered to pupils throughout the year
6. Access to a wide variety of tournaments and competitions organised through school and the S&L Competitions Co-ordinator, has inspired pupils and increased their enjoyment in competitive sport
7. In 2014-15 the school performed extremely well in various tournaments & competitions, winning cricket and rounders leagues and qualifying for the Greater Manchester Mini-Games.
8. In 2014-15 our school received a special award for our outstanding contribution to school sport within the borough.
9. Our children are enthusiastic about sports and PE and are encouraged to challenge themselves. Many of our children play in sports teams/clubs outside of school and we celebrate their achievements in weekly family assemblies.
